

Following are the list of features which are available for services.

## 1. Services

<https://streampros.net/customer/services>

### 1.1 Add Service

Customer can create new service by clicking on “Add Service” button.

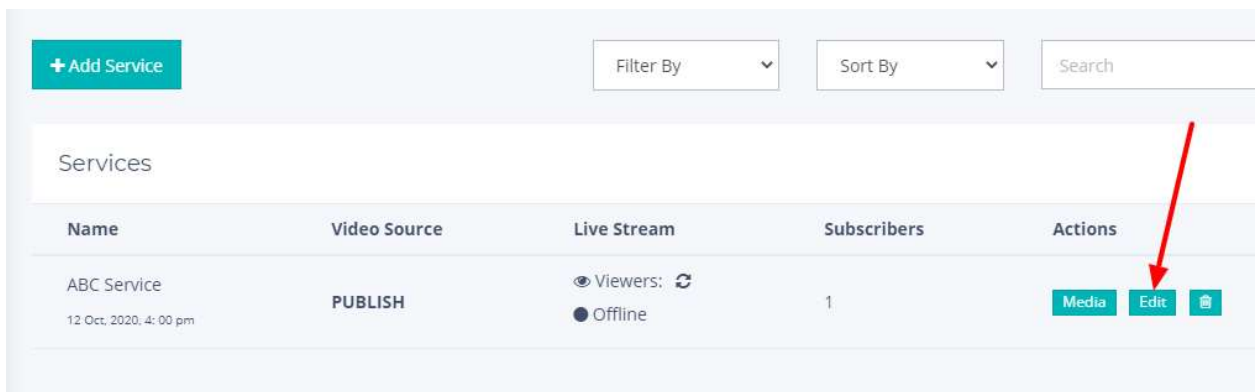

The screenshot shows the top section of the StreamPros Services page. At the top left, there is a teal button labeled "+ Add Service" with a red arrow pointing to it. To the right of this button are two dropdown menus: "Filter By" and "Sort By". Below these elements is a section titled "Services" containing a table with the following data:

Name	Video Source	Live Stream	Subscribers
ABC Service 12 Oct, 2020, 4: 00 pm	PUBLISH	Viewers: Offline	1

### 1.2 Edit Service

Customer can edit any existing service by clicking on the “Edit” button.

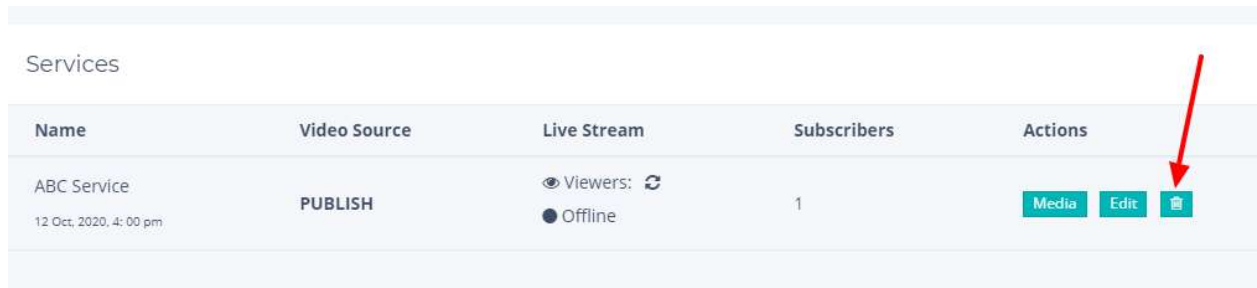

The screenshot shows the same StreamPros Services page as above, but with an additional "Search" input field to the right of the "Sort By" dropdown. The table now includes an "Actions" column. The "Edit" button in the Actions column for the "ABC Service" row is highlighted with a red arrow.

Name	Video Source	Live Stream	Subscribers	Actions
ABC Service 12 Oct, 2020, 4: 00 pm	PUBLISH	Viewers: Offline	1	Media Edit

### 1.3 Delete Service

Customer can delete any service record by clicking on trash button.

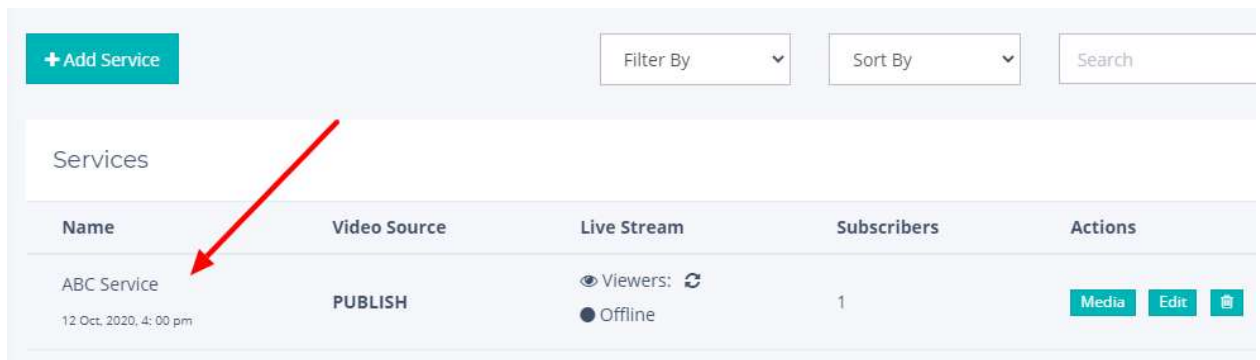

A screenshot of a service record in a table. The table has five columns: Name, Video Source, Live Stream, Subscribers, and Actions. The first row contains the following data: Name: ABC Service (with a timestamp '12 Oct, 2020, 4: 00 pm' below it), Video Source: PUBLISH, Live Stream: Viewers: (with a refresh icon) and Offline (with a dot icon), Subscribers: 1, and Actions: Media, Edit, and a trash icon. A red arrow points to the trash icon.

Name	Video Source	Live Stream	Subscribers	Actions
ABC Service 12 Oct, 2020, 4: 00 pm	PUBLISH	Viewers: Offline	1	Media Edit

### 1.4 Service Listing

Customer can see list of all the services which includes Service Name, Video Source (Publish Stream from RTMP URL and Stream Key / Pull Stream from RTSP URL), live stream status (Online/Offline), total number of subscribers in a particular service.

A screenshot of a service listing page. At the top, there is a '+ Add Service' button, a 'Filter By' dropdown, a 'Sort By' dropdown, and a 'Search' input field. Below this is a table with the same structure as the one in the previous image. A red arrow points to the 'ABC Service' name in the first row of the table.

Name	Video Source	Live Stream	Subscribers	Actions
ABC Service 12 Oct, 2020, 4: 00 pm	PUBLISH	Viewers: Offline	1	Media Edit

## 6. Subscriber Setting

Service Subscriber users can switch to another service by clicking on setting link in the menu bar.

Subscriber can update their First Name, Last Name and Password in the setting page.

The image shows a mobile application interface for a subscriber's settings. At the top, there is a rounded rectangular header with the word "Setting" in a grey font. Below this, there are several input fields: "Steve1", "Lipman2", "New Password", and "Confirm New Password". The "New Password" and "Confirm New Password" fields are currently empty. Below these fields is a dropdown menu showing "ABC Service" with a downward-pointing chevron icon on the right. This dropdown menu is highlighted with a red rectangular box, and a red arrow points from the top right towards the "ABC Service" text. At the bottom of the form, there is a blue rounded button with the word "update" in white text. Below the button is a blue hyperlink that says "Click Here to go back".
